

NIV Course Programme

19th & 20th November 2015
Marriott Hotel City Centre,
2 Lower Castle Street,
Old Market, Bristol, BS1 3AD

Target Audience:

- BSc in Healthcare (Nursing, Physiotherapy, Clinical Physiology) or equivalent.
- Experience working in respiratory medicine
- Previous experience in NIV or Sleep Apnoea service desirable
- Need to be part of or wanting to start an NIV service

Course Aims and Objectives:

The aim of course is to provide delegates with the underpinning knowledge, practical experience and pitfalls of running both acute and domiciliary non-invasive ventilation services.

This course is aimed at all practitioners from AfC Band 5 upwards who are involved in the delivery of NIV services both within the acute and/or the home setting.

The course will be delivered over two days covering the Basic Principles (Day 1) and Complex Patients (Day 2), and delegates may attend either of the days or both days.
