## ARTP Practical Handbook of Respiratory Function Testing PART TWO

Part 2 of the ARTP Practical Handbook of Respiratory Function Testing will provide the core test and underpinning knowledge for those undertaking the ARTP Part 2 as part of years 3 & 4 of the BSc Clinical Physiology. It is also an invaluable reference source for all those working in the field of Respiratory Physiology. This book advances and expands some themes from Part One, such as Physiology of Respiration, Bronchodilator Response and Paediatric Pulmonary Function Testing. There are also dedicated chapters on Blood Gases, Pulse Oximetry, Overnight Oximetry, Field Walk Tests, Bronchial Challenge Testing, Respiratory Muscle Function and Whole Body Plethysmography.
