

Association for Respiratory Technology and Physiology

ARTP Practical Handbook of Respiratory Function Testing PART ONE (2nd Ed)

The 2nd edition has been extensively revised and updated and will form the core text for those undertaking the ARTP Part 1 National Assessment from September 2003 onwards.

Anatomy and Physiology has been expanded, the chapters on static lung volume measurements and CO Transfer Factor now include alternative techniques, and a new chapter on paediatric testing has been included.

Cost

ARTP Members £40.00

Non Members £50.00

Please note all prices include Postage and Packaging. Discounts may apply for large orders – please contact ARTP on www.artp.org.uk for further information.
